Celebrating 27 Years of Citroen 2CV Racing

2016 will be the 27th year of Citroen 2CV racing in the UK, making it one of the UK's longest running one-make Championships.

The 2CVParts.com Championship season features four double-header meetings; at Oulton Park, Croft, Cadwell Park and Brands Hatch Indy. Each meeting will have two 20 minute sprint races. At the Croft meeting, there will also be a two hour Enduro, to help teams prepare for the 24 hour race.

Over the weekend of August 19-21, the 26th running of the 2CV 24 Hour race will be staged at the amazing Anglesey circuit. It is the longest running 24 hour motor race in the UK by a big margin.

With testing on Friday, qualifying on Friday evening then racing twice around the clock through Saturday night, it's a very busy weekend for all the teams, crews, drivers, marshals, officials and spectators.

Follow the 24 hour race action on a live webcast with video, starting at 08.30, Saturday, August 20, on www.2cvracing.org.uk

If you are a racer, you can organise and run your own 2CV in any or all of the races. It is also possible to pay for a seat in a car being run by a team. Take a look at www.2cvracing.org.uk.

The 24 Hour is a great weekend for petrol heads and families. Anglesey circuit welcomes car clubs holding rallies and get-togethers over the three days. Plenty of space for free camping. Weekend Pass only £15, kids free under 16.

At the iconic SPA Grand Prix circuit, the 2CV Belgium Club, 2CVRT, will stage the 32nd running of their unique 2CV 24 hour race, October 14-16. There is an invitation class for UK spec 2CV racers - how else can you race at Spa? See: www.24h2cv.be
