

By so, and for a matter of civism, if in your vehicle came 2 persons, please bring a familiar size tent. By other hand, you won't need to use awnings or similar, since the camping has lots of tree's shadows. When arriving to the camping site, you'll be always be escorted by our identified staff. In case you have preference to stay near your club members or compatriots, please mentioned it.

There won't be any hygiene problems, since there will be 250 shower spots, with permanent hot water supply and equal number of WC, divided by 8 sanitary blocs, and also 20 open air showers...

- Situated 500 meters ahead from the Ericeira Camping, it has regular collective transport assured by the "Ericeira Surf" minibuses every 30 minutes and free for the participants in the 2CV World Meeting. This is a field without shadows but is situated at 20 meters from the beach and 40 meters from the sea.

It's supplied with several shower spots and WC's and it has a very pleasant restaurant and bar, with a great terrace.

Indicated for the younger, surfers and radical 2cv lovers, as also for Pop Cross lovers, since the pop cross track will be just across the street, allow going there by foot.

If you don't wish to camp and to stay in a local accommodation, you may want to know that, according to Portuguese Tourism Bureau, the number of this kind of accommodation places has increased in 394 only in the Mafra county, raising its total for 2145 beds. It's highly recommended to book the desired accommodation the sooner as possible by contacting us via the following email address - 2cvportugal2017@gmail.com - and after making your inscription, having access to the unique rates for 2CV World Meeting participants and better than the ones possible to obtain directly in the accommodation site or in Booking.com.

In the case of you don't want to participate in the 2CV World Meeting and make an inscription as a guest, please notice that each person will have to pay a 10€ fee and are only allowed to get inside the meeting's precinct on foot, having a parking place on the opposite side of the EN 247 road. The supplied identification will be specific, not being allowed to participate in any selling events or events that demand the vehicle presence, like the elegance concurs, since it's not allowed to place its vehicle inside, even if it is a 2CV or derivate. This people will have to leave the meeting's precinct, the later, by the established silence hour.

Enjoy in your 22nd 2CV World Meeting in Portugal 2017!

2CV DAY - BREAD FESTIVAL - July, 9th 2016 - FREE ENTRANCE.

By initiative of Mafra's county, there will elapse in this city the 2CV DAY, integrated in the Bread Festival.

The idea is to park your 2CV or derived model in Terreiro D. João V, in front of the Mafra's National Palace, in a very aligned way during all day and help to produce a promotional movie about the 2CV World Meeting with a drone.

At the same time, the event will be presented to the Press, having been invited all the TV channels.

In the mean time, you may participate on the Bread Festival, on the Cerco garden, see the shows on stage, taste the several suggested tidbits, hang out and enjoy without any subscription costs.

Being a quite pleasant journey, we ask you to participate and bring more friends with you in other 2CV's. If you are a collector, own several models and have trust on some friend's driving skills, please bring them all.

Terreiro D. João V has a estimated capacity of about 1000 2CVs.

Its a historical moment to park your 2CV in front of the Mafra's National Palace.
